TCS CSR Youth Employment Program

Building Employability Skills among the underprivileged youth | TCS CSR Youth Employment Program - Jagarlamudi Kuppaswamy Choudary College, Andhra Pradesh. Total 397 students trained, got certified by TCS.

Dear Madam/Sir,

Greetings from TATA CONSULTANCY SERVICES!

We appreciate the interest shown by you in increasing the employable skills among the non-engineering graduates.

Please find below details about the program and the process to be followed for starting online batch.

About the program:

The Youth Employability Program (YEP) stems from the Tata Affirmative Action Program (TAAP) under the CSR umbrella and has been driven over the past 10 years addressing the challenge of unemployment within India. TCS believes that given the right opportunities and learning skills, even those from socially and economically under-privileged families, will be able to showcase their potential, join the mainstream

economy, and shall have a dignified life. The program aims at providing Free Employability Training for the SC/ST and other economically weaker candidates. The program also supports the youth for guiding them for internal (in TCS) and external opportunities for their jobs. In terms of geographic reach, the program is currently operating in over 30 states / UTs and 200 districts, with over 12,000 trainees per annum, and we wish to continue to increase its reach and scale.

Training details:

The training will be of about 100 hours, covering standard modules prepared by TCS on Business Skills, Communication Skills, Quantitative Aptitude, Logical Reasoning, Computers, Interview Skills, Resume Writing to name a few.

This would be followed by trainings on specific domains. Additionally, trainees will also be guided to take up Free Self-Learning Courses such as those offered by TCS iON portal.

Cost of Training:

Free

- Digital Batch: 45-50 working days, 2 hours/day, Mon - Sat

(Please note – COVID alert: In case of physical mode of training students must be seated in a large room at least at 2m from each other. Open air seating is preferred. All of them should be wearing masks and need to carry hand sanitizers.)

On successful completion of the training:

The trainees will receive a digital certificate of participation and completion from TCS which will stand as a testimony and accreditation of their employability prospects in the corporate world.

In addition, the trainee shall be guided and encouraged to also apply in job market as per suitable vacancies available for freshers across the industries including TCS by going through the standard process, as and when the same gets scheduled.

Kindly find below the prerequisites to commence the training program:

The rankings are based on student selections from 1st April '21 to 4th July '21

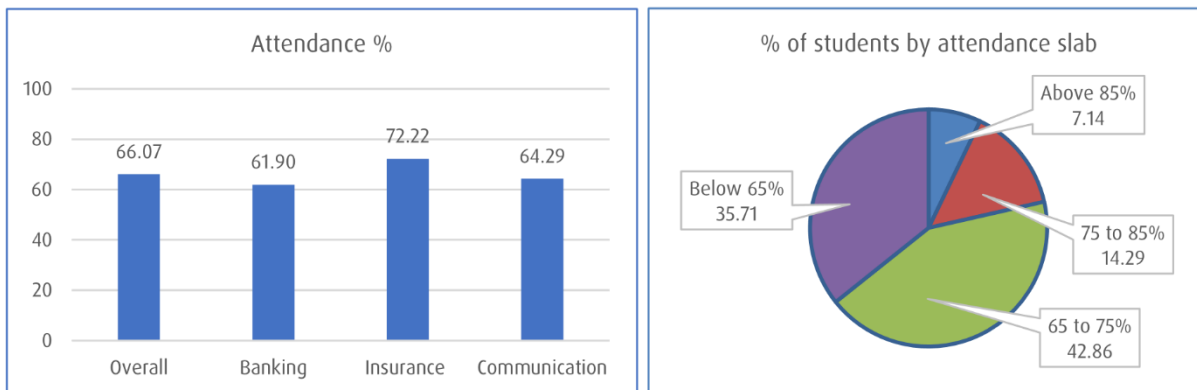

1. Student Participation Details:

Enrolment Details	No. of students	Participation	No. of students
Enrolment	34	Pre-assessment	25
Cancellation	12	Post-assessment	25
Drop-outs	8	Pre-CPBFI Interview	16
Regular Students	14	HR Workshop	7
Drop-out Ratio	36.36	Feedback Survey	8

The student participation in the programme is driven by (a) the relevance of the programme in their individual career plans, (b) their understanding and conviction about the programme value and (c) their investment in the programme. A combination of all these factors leads to high participation.

Attendance is driven by (1) certification eligibility criteria (CPBFI requires minimum 65% attendance), (2) training quality, which is a combination of trainer’s command over subject, the pedagogy used and students’ participation and (3) students’ willingness and ability to attend. Non-availability of infrastructure and mandatory college events or family events have a big influence on students’ ability to attend.

2. Attendance Details

3. Performance in online Assessment Tests – Average Scores

Performance in online assessment tests is driven by the attendance and attentiveness of the students and by the training quality of CPBFI trainers. Students with higher attendance typically perform better than others.

	Attended	Short listed	Success Rate
Pre-CPBFI Interview (PCI)	16	3	18.75%
HR Workshop (HRW)	7	1	14.29%
		No. of students	% of total
Attended both rounds		4	
Not successful in PCI but successful in HRW		1	25.00%
Functional skill rating improved		2	50.00%
Personality and Confidence rating improved		1	25.00%
Communication skills rating improved		1	25.00%

Students appear for mock interviews before and after the CPBFI training. The pre-CPBFI interviews are conducted like campus interviews whereas the post-CPBFI interviews during HR Workshop are conducted like real job interviews for a specific role. Students are assessed on different competencies. Shortlisted candidates are considered employable for the industry, meaning they have reached the expected level of employability after CPBFI. The improvement in shortlisting ratio and improvement in ratings in respect of important competencies indicate effectiveness of CPBFI.

5. Student endorsement

Students join CPBFI with different objectives, so, it is important to seek their confirmation about improvement in their own attitude, skills and knowledge. This confirmation along with HR Workshop performance are key performance indicators of CPBFI.

6. Net Promoter Score (NPS)

Voice of students	% strongly agree
My confidence has improved (Attitude Development)	50.00
My communication has improved (Skill Development)	50.00
My industry knowledge has improved (Knowledge Development)	25.00
CPBFI was the right decision for my career (Overall satisfaction)	37.50

Voice of students	% of respondents
On a scale of 0-10 how likely are you to recommend CPBFI to others?	
Very Likely - Promoters - Score of 9 or 10	37.50
Not Sure - Passives - Score of 7 or 8	37.50
Not Likely - Detractors - Score of 0 to 6	25.00
Net Promoter Score = Promoters - Detractors	12.50
Overall Rating - Good (>0), Excellent (>50%), Exceptional (>70%)	Good

Net Promoter Score or NPS is globally regarded as a strong indicator of customer experience and loyalty. For CPBFI also NPS is regarded as an important success indicator.

7. Feedback about faculty:

Faculty Name	Subject	% of students#
Tipparaju Balaji Srinivasulu	Banking	37.50
Pavan Kumar Potti	Insurance	50.00
Ravi Kanth Akurathi	Communication	37.50

% of students that have rated the respective faculty as “Excellent”.

Feedback about individual trainers help in assessment of the trainers and their delivery quality. These ratings are used to identify best trainers for each subject and to plan supporting interventions for trainers that are not at par.

8. Comments from Bajaj Finserv CPBFI Team:

- **What worked well –**

NA

- **What could have been better –**

The batch has significantly under-performed when compared to the last batch of JKC college. The batch had concerns with regards to the participation by the students. Out of 34 students who enrolled, there were 12 students who cancelled and 8 who dropped-out in middle of the course. The high cancellation & drop-out suggests that the students had either enrolled without adequate understanding of the programme or had very different expectations from the programme. These students lost an excellent opportunity to enhance their capabilities. We would like to understand that what can help students make well informed decisions around CPBFI in future. Do share it with us and we would take that into consideration.

We place on record our appreciation for the efforts put in by the coordinator, Dr. Y Suresh Babu, and other staff in making the batch successful. Overall, some of the students have sincerely completed the program and performed well and we are confident, every one of them has a successful career ahead!

Thank you!!
